

WOMEN'S EMPOWERMENT

HOSTING A 3rd PARTY EVENT

What YOU Can Do

Women's Empowerment is funded exclusively by donations from generous community partners committed to ending homelessness for women and families. You can help Women's Empowerment raise crucial funds and community awareness by hosting a Women's Empowerment event! Organizing an event is a fun way to collaborate with us in our mission and support the services we provide for women and children who are homeless.

Here are some examples of past events to get your started!

- One volunteer hosted a concert at their church, inviting 100 guests to enjoy music and make a donation to Women's Empowerment. The event raised \$4,000
- At the "Bridesmaid Pub Crawl" attendees paid \$20 to enjoy appetizers at local eateries while wearing their bridesmaid's dresses and gowns. Both the gowns and the ticket sales were donated to Women's Empowerment.

Interested in Planning a Third Party Event?

Most third party events do not require a great deal of planning, but here are some basics to consider before you get started:

- Budget
- Location
- Advertising
- Guest List
- Food/Beverage

We can provide you with:

- Promotional assistance through our social media and website, informational handouts and flyers,
- Tax receipts in accordance with state and federal law and,
- Inspiring staff, volunteers, and graduates from our program to speak at your event.
